

Marin Scope Community Connection

Two cents on the Twin Cities

by Pat Ravasio

Marin's Human Race scheduled for Saturday, May 7, 2005

It's only four miles, and it's for such a good cause! Marin Services for Women is one of the supporters and beneficiaries of this largest collaborative fundraiser in all of Marin County. It benefits schools and various not-for-profit organizations. Marin Services for Women is the only agency in Marin to provide chemical-dependency-recovery services for women and children, including pregnant women and mothers. It has an "empowerment"-based approach that now serves as a model for treatment programs throughout California and the U.S. The race is held at the Marin Center fairgrounds. To sign up to collect pledges for support of this event, call 479-5710 or go to www.marinhumanrace.org.
